Project No. FEMA-DR-4490-MO, Project #0017
Project Name: Carterville MO Generator Project

The City of Carterville would like to procure a vendor to furnish and install an industrial (commercial-grade) diesel backup generator at its municipal water well located at 702 N Pine Street – Carterville, MO 64835.

The generator would need to be capable of providing power for a period of at least 24 hours at full load during a power outage and must include an automatic transfer switch, onboard fuel tank, concrete pad, and all necessary wiring.

Supplied generator must be a 3 phase, 200KW, 440V generator with a 400 AMP ASCO ATS switch.

Sealed Proposals for furnishing the services described herein will be received until 10:00 am (CT) on August 28th, 2023.

Proposals may be mailed, or hand delivered to:

City of Carterville
Attn: City Administrator
1200 East 1st street
Carterville, Missouri 64835

Proposals which are not sealed or received in the City Offices after the submission deadline will be considered void and unacceptable. The City of Carterville is not responsible for lateness or non-delivery of mail, carrier, etc., and the date/time stamp in the City Office will be the official time of receipt.

All inquiries for information may be directed to: William Cline with the City of Carterville at the address listed above, or by phone at (417) 673-1341 or email at admin@cartervillemo.com.

Attention of bidders is particularly called to the requirements as to conditions of employment to be observed and ***Davis Bacon and/or State Prevailing wage rates to be paid under the contract***, Segregated Facility, Section 109, and E.O. 11246. This is an equal opportunity bidding event and MBE, WBE and Section 3-DBE bidders are encouraged to bid.

No bidder may withdraw their bid within 45 days after the actual date of the opening thereof.
